Antitrust Policy Notice

Linux Foundation meetings involve participation by industry competitors, and it is the intention of the Linux Foundation to conduct all of its activities in accordance with applicable antitrust and competition laws. It is therefore extremely important that attendees adhere to meeting agendas, and be aware of, and not participate in, any activities that are prohibited under applicable US state, federal or foreign antitrust and competition laws.

Examples of types of actions that are prohibited at Linux Foundation meetings and in connection with Linux Foundation activities are described in the Linux Foundation Antitrust Policy available at http://www.linuxfoundation.org/antitrust-policy. If you have questions about these matters, please contact your company counsel, or if you are a member of the Linux Foundation, feel free to contact Andrew Updegrove of the firm of Gesmer Updegrove LLP, which provides legal counsel to the Linux Foundation.

   3.2. Dedicated open github issues / PRs

   3.3. **Open Mic**

What is EVerest? Watch here:

Framework & Tools Update

- **cmake - Any news?**

- **Docu-PR upcoming:**
  New framework illustrations - feedback welcomed!
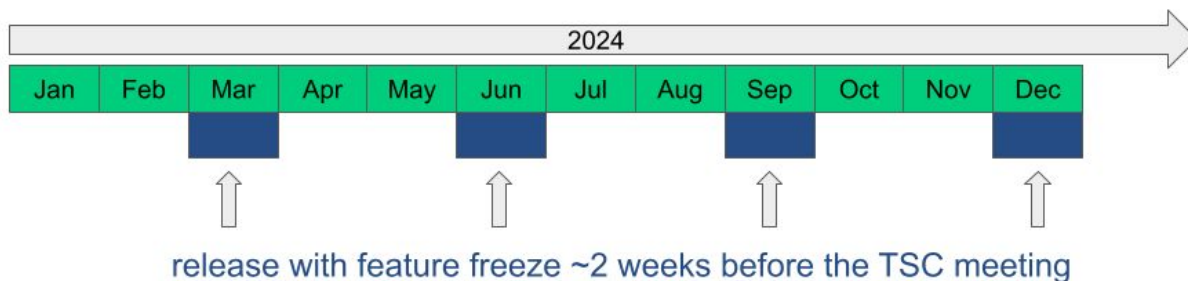

- **Release cycle process**

Framework & Tools Update

- **Release cycle process**

EVerest release cycle

- **monthly** source code releases
  - continuation of the current release cycle
  - tagged around the TSC (every 4th Thursday every month)
  - this includes everest-core and meta-everest
- every **3 months** release with feature freeze window
  - feature freeze begins ~2 weeks before the TSC
  - focus on stability with additional testing window
  - no new features merged into release candidate branch during that time

2024

| Jan | Feb | Mar | Apr | May | Jun | Jul | Aug | Sep | Oct | Nov | Dec |

release with feature freeze ~2 weeks before the TSC meeting
