

2023-02-20 TSC 14

Chaired by Frank

Attendees:

Maxime, Jan Maarten, Frank

Discussion items

Time	Item	Who	Notes
0min	Look back on actions previous TSC	Frank	
2min	TSC every 2 months?	Frank	Shall we decrease the frequency of the TSC? Let's change it to once every two months.
5min	Status onboarding RTE	Maxime /JanMaarten	Alice succeeded in setting up openstef on rte server. No data/jobs are set up yet. Currently an assesment is made of required data fetchers. Plan is to run OpenSTEF jobs with 1 day lag at end of semester.
5min	OpenSTEF at LFE conference	Frank	Frederik presented something at FOSDEM: FOSDEM 2023 - OpenSTEF: Open Source energy predictions Frederik has (probably) submitted a proposal to present OpenSTEF at LFE conference in Paris. Who else is joining? LF Energy Summit Linux Foundation Events

Actions:

[] Jonas: check 'Present OpenSTEF to TSOs' from Collaboration Leads with Benoit

[X] Jan Maarten adds influx database overview (database, measurements, tags, fields); check if this is up to date (enough): [Influx DB - SO - ART System Operations - GaaS System - Confluence \(atlassian.net\)](#)

[X] Frank; change schedule to once every 2 months+add reminder to share agenda.
